THE CALVIN WOODARD FAMILY

My father Emory Sherman Matteson is a son of Delinda Woodard Matteson and Dad always liked the cousins in that side of the relationship. He often speaks of the Whitcomb boys and girls--and so often mentions Jariah Whitcomb----Jaryer as he says. Dad is 85 and lives very happily with my Mother at Stuart, Florida. Box 953---Mother is 81 and they have been truly happy---celebrated 61 st wedding anniversary 7-4-1946,

If you ever go to Stuart stop and see them.

I want to add new data to this genealogy every year and am getting engravings made so printed pages of pictures may be added-so please send me some snap shots of your family.

And to keep up the data---send it to me at Box 1681 Columbus, Ohio every Dec. 1st so i can mail new pages every New Years. Do not forget this please.

And send me any corrections and additional data. Corrections will be noted in New Years pages and you can correct the page with pencil.

I am asking no pay for my work---I too enjoy it but I am asking each cousin to help with the paper and covers---instead of sending me any cash--please send 93¢ to THE THOMPSON CO. INC 80 North Third st Columbus, Ohio. zone 15. They deliver a ream of paper and covers for each book--and when we get all connecting line data it will take a ream. That is all I ask---I will take care of other costs.

And do write Dad and Mother a letter, please.

I shall appreciate all up to date data.

Most Faithfully yours, Porter Matteson
